Things to consider

Rewarding

If you have both a love of art and a desire to help people this will prove a very rewarding career.

Good progression

Opportunities for progression are good.

Distressing aspects

You will have to deal with people who are in pain or mentally unstable, which can be extremely upsetting.

Exciting projects/opportunities

Experiences can be enriching and very fulfilling; there will never be a boring day at work.

Can Specialise

You might decide to specialise within a particular area, such as mental health or palliative care.
