

CLEARING 2023: KEY INFORMATION

What is Clearing?

Clearing is a second chance for you to get a place at uni! Clearing matches students to universities with unfilled places.

Can I apply for uni through Clearing?

Use Clearing if you didn't get into your 1st & 2nd choice unis, didn't get any offers, missed the application deadline or you just want something different!

How do I go through Clearing?

The best way to find options is to search on UCAS, or look directly on the uni website. Then ring the uni directly and tell them what you want to do. If they have a vacancy, they'll usually take your details and either give you a decision straight away or very soon afterwards.
